## Exciting Opportunities Are Now Unfolding

### “Unique New Doors of Ministry Have Opened”

by Ron Myers

Wow! I could hardly believe the letter I received:

“Dear Ron, We would like you and Cheryl come teach, encourage, and share your experiences with Chinese house-church believers. They will be attending a special preparation seminar on world evangelism, to be held May 31st through June 3rd at the Grace Chinese church on PhuKet Island, Southern Thailand. The pastor would also like you to speak at the Sunday service on June 4th.” (See Above Map)

How did these dear Chinese Christians get our names or even know of us? Looking back, it began last December with a chance meeting I had with a young lady who was attending a Chinese Bible School in Singapore and was on holiday in Thailand with a few fellow students. Elaine by name – the person who sent the invitation – was also staying at the Bangkok Christian Guest House where we happened to meet and converse one day in the lobby.

The Apostle Paul said *a great and efficacious door is opened unto me...* (1 Cor 16:9a). I believe he was referring to the unique opportunity that lay before him, to preach the Gospel in the unreached *Regions Beyond* – Jews living among unreached ethnic peoples (2 Cor 10:16). That’s why Paul added *...and there are many adversaries* (1 Cor 16:9b).

With that in mind, I’m asking you to hold us up in *effectual* prayer, believing God with Cheryl and me for the following: safe travels; adequate preparation; well-suited materials; clarity of thought; challenging and encouraging presentations; a well-spent *glitch-less* time there; that Satan (the chief adversary) not get a chance to hinder. And, above all, that the Lord Jesus Christ get *all the glory* due His holy, matchless Name.

Notice I said *challenging and encouraging*. House church believers around China are burdened for unreached peoples around the world and are preparing to obey Christ’s Great Commission to *go and preach the gospel to all peoples* (Matt 28:18–20, Mark 16:15). Our part will be to help prepare them for this monumental endeavor. The overall goal of the seminar is to review specific measures and strategies in propelling China’s house church involvement in world evangelism. There will be 20-25 from Elaine’s house church in attendance, including other mission-minded Chinese house-church leaders.

Please pray for wisdom, finances, good success, and God’s glory! Afterwards, they will put us up in a swanky hotel for a 3-4 day mini-R&R vacation. PhuKet Island, with its white sandy beaches and pristine blue waters is a tourist resort hot spot. It’s also where the huge Tsunami hit.

Thank You for Your Support,
